Certification ID : 160-231-189

Place : Aurangabad,Maharastra

Date : **2016-11-04****JLPT N5 : Japanese Language Proficiency Test Level 5**Date : **2020-01-31****Seminars and Projects****ACADEMIC PROJECTS:****1. Open Source Project B.E. Final Year Project****Name of project : Lab Sharing Using Docker**

- Worked as an equal member of a four person team to develop webapp for sharing docker containers over the network in lab infrastructure.
- This project provides students the GUI based containers having different tools such as rstudio, eclipse, scilab, java, etc for lab practices.
- Webapp manages user space with session management and users data is saved using volume sharing. MySQL database is used to manage container requests and

serve them. Port forwarding is used to map containers to client browsers on request of client.
